

HOSTED MICROSOFT® LYNC AT RACKSPACE®

Connect and Collaborate from Anywhere

Hosted Microsoft Lync at Rackspace integrates instant messaging (IM) and video chat with Hosted Exchange 2013. Users can easily set free/busy statuses, securely chat and send files from the web, their desktop or mobile device. The anywhere access and integration of Rackspace Exchange and Lync, coupled with our award-winning **Fanatical Support**®, mean your users can easily and reliably collaborate and increase productivity.

For Your Users/Feature Set

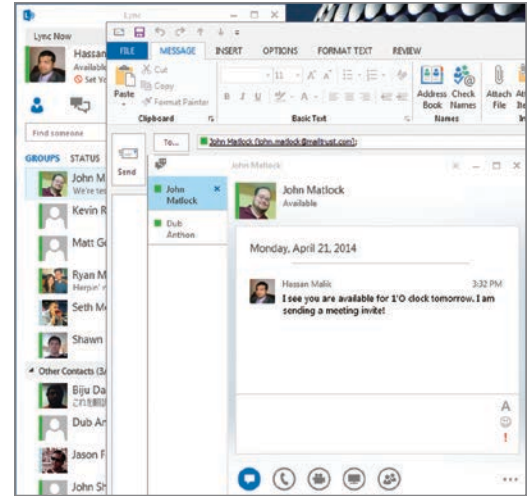

- Encrypted instant messaging
- Presence (Available, Busy, Do Not Disturb, etc.) photos, status, and location
- Video calling (one to one)
- Encrypted file transfer
- Seamless integration with Outlook, Outlook Web App and Hosted Exchange
- Mobile clients for iOS, Android, Windows Phone, Symbian

For Your IT Department

- 25x7x365 Fanatical Support via phone, chat, or ticket
- Easy control panel management with user and domain level controls
- 100% uptime guarantee

Stay connected to your customers and colleagues while being away from your desk with Hosted Microsoft Lync at Rackspace.
